3.4 Se dopo che sia stato confermato l'ordine il Venditore venga a conoscenza di protesti, sequestri, pignoramenti ed in genere atti pregiudizievoli a carico dell'acquirente, o divenga notorio che l'acquirente si trova in condizioni di difficoltà finanziaria, la venditrice potrà, a sua scelta sospendere il contratto ed esigere particolari garanzie, oppure risolvere il contratto per inadempimento del Compratore, ai sensi dell'art. 1456 c.c., mediante comunicazione da inviarsi a mezzo di lettera racc. a.r..

art. 4 Prezzi

4.1 Il prezzo di vendita, ove non specificato, è quello del listino del Venditore, considerato IVA esclusa, in vigore alla data del perfezionamento del contratto.

Qualora il Compratore decida di non ricevere i prodotti alla data pattuita di approntamento e consegna, o l'approntamento o la effettiva consegna non sia stata possibile per ragioni indipendenti dalla volontà del Venditore, i prezzi, se non già previsto nell'ordine, saranno soggetti alle variazioni del listino di Rubinetterie 3M S.r.l. e comunque alle variazioni dei costi dei materiali e della mano d'opera sopravvenute dal momento dell'approntamento dei prodotti sino al ritiro degli stessi da parte del committente o all'accettazione della consegna. Tasse, imposte, spese relative all'emissione di effetti bancari o all'eventuale regolarizzazione del contratto sono a carico del Compratore.

Salvo diverso accordo, il pagamento anticipato dovrà essere accreditato sul conto del venditore almeno 30 giorni prima della data di consegna convenuta.

5.4 Ove le Parti abbiano pattuito il pagamento mediante credito documentario, il Compratore dovrà, salvo diverso accordo, curare che un credito documentario irrevocabile, emesso conformemente alle Norme ed Usi uniformi della CCI relativi ai Crediti documentari, venga notificato al Venditore almeno 30 giorni prima della data di consegna convenuta. 6.2 Non si considera imputabile al Venditore l'eventuale ritardo dovuto a cause di forza maggiore (come definite dall'art.10) o ad atti od omissioni del Compratore (ad es. mancata comunicazione di indicazioni necessarie per la fornitura dei prodotti).

6.3 In caso di ritardo nella consegna imputabile al Venditore, il Compratore potrà richiedere, previa messa in mora del Venditore, il risarcimento del danno effettivo da lui dimostrato, entro il limite massimo del 5% del prezzo dei Prodotti consegnati in ritardo.

6.4 Salvo il caso di dolo o colpa grave del Venditore, il pagamento delle somme indicate all'art. 6.3 esclude qualsiasi ulteriore risarcimento del danno per mancata o ritardata consegna dei prodotti.

Per il materiale ricevuto incompleto, danneggiato o non debitamente imballato nessun indennizzo sarà dovuto e si procederà ad addebitare le spese sostenute per i controlli effettuati. In questo caso il materiale con difetti non imputabili alle Rubinetterie 3M Srl resta a disposizione del cliente nel nostro magazzino per un tempo massimo di 30 giorni, trascorsi i quali sarà automaticamente eliminato in fonderia senza ulteriore avviso. Rubinetterie 3M Srl non si assume alcuna responsabilità per difetti derivati dalla manomissione dei propri prodotti e per danni derivati dal montaggio di materiale difettoso.

7.3 Eventuali reclami relativi allo stato dell'imballo, quantità, numero o caratteristiche esteriori dei Prodotti (vizi apparenti), dovranno essere notificati al Venditore mediante lettera raccomandata RR, a pena di decadenza, entro sette giorni dalla data della scoperta del difetto. Qualora la denuncia non venga comunicata entro il predetto termine, i prodotti consegnati vengono considerati come conformi a quelli ordinati dal Cliente.

7.4 E' inteso che eventuali reclami o contestazioni non danno diritto al Compratore di sospendere o comunque ritardare i pagamenti dei Prodotti oggetto di contestazione, nè, tanto meno, di altre forniture.

art.8 Garanzia per vizi

8.1 Rubinetterie 3M S.r.l. si impegna a porre rimedio a qualsiasi vizio, mancanza di qualità o difetto di conformità dei Prodotti a lui imputabile, purché lo stesso gli sia stato notificato tempestivamente in conformità all'art. 7.3. Il Venditore potrà scegliere se riparare o sostituire i Prodotti risultati difettosi. I Prodotti sostituiti o riparati in garanzia saranno soggetti alla medesima garanzia per un periodo di sei mesi a partire dalla data della riparazione o sostituzione.

8.1.2 Le Rubinetterie 3M Srl garantisce tutti i suoi prodotti da difetti di fabbricazione come sotto specificato:

- 1) Garanzia di 15 anni per difetti di fusione o porosità.
- 2) Garanzia di 10 anni per difetti su cartucce e vitoni (si ricorda che l'usura di questi componenti è strettamente legata alla qualità dell'acqua).
- 3) Garanzia di 2 anni sulle finiture diverse dal cromato.

Per potere usufruire della garanzia si raccomanda di conservare lo scontrino o altro documento fiscale comprovante la data di acquisto e di allegarlo al tagliando di garanzia. La garanzia da diritto alla sostituzione gratuita di quelle parti che, per evidente difetto di fabbricazione, determinassero l'irregolare funzionamento del prodotto, sempre che ciò non dipenda da incuria, cadute o urti, negligenza d'uso, errata manutenzione, manomissione, installazione non corretta, interventi di persone non qualificate o da cause di forza maggiore. E' assolutamente necessario montare a monte della rubinetteria filtri e addolcitori. Il mancato rispetto di queste condizioni provoca l'immediata decadenza delle garanzie stesse. La garanzia esclude qualsiasi nostra responsabilità per tutte le conseguenze derivanti da un impiego improprio, da un'installazione non corretta dei nostri materiali, da una errata manutenzione o incuria del prodotto (vedi sotto "consigli per la cura del prodotto").

Rubinetterie 3M Srl non riconosce nessun risarcimento per la sostituzione degli articoli difettosi.

8.2 Il Venditore non garantisce la rispondenza dei Prodotti a particolari specifiche o caratteristiche tecniche o la loro idoneità ad usi particolari se non nella misura in cui tali caratteristiche siano state espressamente convenute nel contratto o in documenti richiamati a tal fine dal Contratto stesso.

8.3 Salvo il caso di dolo o colpa grave, il Venditore sarà tenuto, in caso di vizi, mancanza di qualità o difetto di conformità dei prodotti, unicamente alla riparazione degli stessi o alla fornitura di Prodotti in sostituzione di quelli difettosi. E' inteso che la suddetta garanzia (consistente nell'obbligo di riparare o sostituire i prodotti) è assorbente e sostitutiva delle garanzie o responsabilità previste per legge, ed esclude ogni altra responsabilità del Venditore (sia contrattuale che extracontrattuale) comunque originata dai Prodotti forniti (ad es. risarcimento del danno, mancato guadagno, campagne di ritiro, ecc).

art. 9 Riserva di proprietà

E' convenuto che i prodotti consegnati restano di proprietà del Venditore fino a quando non sia pervenuto a quest'ultimo il completo pagamento.

La riserva di proprietà si estende ai Prodotti venduti dal Compratore a terzi ed al prezzo di tali vendite, entro i limiti massimi previsti dalla legge del paese del Compratore che regola la presente clausola.

art. 10 Forza Maggiore

10.1 Ciascuna parte potrà sospendere l'esecuzione dei suoi obblighi contrattuali quando tale esecuzione sia resa impossibile o irragionevolmente onerosa da un impedimento imprevedibile indipendente dalla sua volontà quale ad es. sciopero, boicottaggio, serrata, incendio, guerra (dichiarata o non), guerra civile, sommosse e rivoluzioni, requisizioni, embargo, interruzioni di energia, ritardi nella consegna di componenti o materie prime.

10.2 La parte che desidera avvalersi della presente clausola dovrà comunicare immediatamente per iscritto all'altra parte il verificarsi e la cessazione delle circostanze di forza maggiore.

10.3 Qualora la sospensione dovuta a forza maggiore duri più di sei settimane, ciascuna parte avrà il diritto di risolvere il presente contratto, previo un preavviso di 10 giorni, da comunicarsi alla controparte per iscritto.

art. 11 Foro competente

Per qualsiasi controversia derivante dal presente contratto o collegata allo stesso sarà esclusivamente competente il Foro di Siena.

Qualora il Compratore risieda in un Paese Extra UE, tutte le controversie derivanti dal presente contratto o in relazione ad esso saranno risolte in via definitiva secondo il Regolamento d'arbitrato della Camera di Commercio di Firenze o più arbitri nominati in conformità di detto regolamento.

art. 12 Varie

L'eventuale inefficacia di una clausola delle presenti condizioni o di successivi accordi integrativi non comporterà l'invalidità delle altre condizioni. Le parti concorderanno una clausola sostitutiva che ne rifletta il più possibile l'intento economico.

art. 13 Legge applicabile

Le presenti condizioni di acquisto sono regolate esclusivamente dalle leggi della Repubblica Italiana. E' esclusa l'applicazione della convenzione dell'AIA relativa al diritto uniforme sulla vendita internazionale delle merci, della Convenzione delle Nazioni Unite sui contratti per la vendita internazionali delle merci o di altre convenzioni relative alla legge applicabile alla vendita.

art. 14 Formazione del consenso

Le parti si danno reciprocamente atto che ogni singola previsione del presente contratto è stata dalle medesime ampiamente discusse ed approvata specificamente, così come ogni singolo punto e articolo.

art. 15 Protezione dati personali

Le parti si danno reciprocamente atto di adempiere a tutti gli obblighi derivanti dalla legge in materia di protezione dei dati personali (D.Lgs 196/03) e che pertanto RUBINETTERIE 3M S.r.l. può, in esecuzione del presente Contratto, effettuare lecitamente i trattamenti di eventuali dati personali di terzi forniti dal Compratore stesso a RUBINETTERIE 3M S.r.l. Il Venditore tratterà i dati personali adottando le misure di sicurezza previste dal Disciplinare Tecnico contenuto nell'allegato B della legge (D.Lgs.196/2003), limitatamente al trattamento svolto all' interno delle sedi RUBINETTERIE 3M e purché le misure minime da adottare riguardino direttamente attività e strumenti sotto l'esclusivo controllo di RUBINETTERIE 3M S.r.l.. Qualora le operazioni di trattamento non si svolgano all' interno di sedi RUBINETTERIE 3M S.r.l., il Venditore sarà responsabile di adottare unicamente le misure minime di sicurezza per le attività svolte sotto il suo esclusivo controllo.

CURA DEL PRODOTTO

Si consiglia una cura costante del vostro rubinetto. Questo contribuirà a mantenerlo bello e perfettamente efficiente nel tempo. Si raccomanda di asciugare sempre i rubinetti con un panno morbido o una pelle di daino che impedisca la formazione di depositi di calcare. Per la pulizia si deve utilizzare un sapone liquido neutro diluito in acqua. In nessun caso si dovranno usare detersivi liquidi contenenti sostanze abrasive o a base acida, spugne abrasive, aceto puro, acetone, candeggina, ammoniac, acidi per uso domestico, disinfettanti vari. I suddetti prodotti non devono essere utilizzati nemmeno per la pulizia di sanitari in prossimità dei rubinetti installati. I depositi di calcare e lo sporco nei filtri degli areatori si possono rimuovere smontando l'areatore ed immergendolo per qualche ora in aceto diluito con acqua (concentrazione massima 15% a 25°). Lavare con acqua e sapone e di seguito risciacquare. **ATTENZIONE!** L'uso dei prodotti non consigliati può deteriorare irrimediabilmente la finitura superficiale del prodotto. Le Rubinetterie 3M Srl non ne risponderanno in nessun caso.

RICAMBI

Si raccomanda sempre l'uso di ricambi originali Rubinetterie 3M richiedibili presso tutti i nostri punti vendita.

GENERAL CONDITIONS OF SALE

art. 1 General provisions

1.1 The supplies and contractual relationship between Rubinetterie 3M S.r.l. hereon - Seller - and the Customer - hereon Purchaser- are governed by these general conditions of sale.

1.2 Any exemptions or additions to these conditions (to be intended as specific conditions) must be agreed in writing by the parties and are intended as accepted only if stated on the order confirmation. In the event of contradiction, the special conditions prevail.

1.3 These general conditions of sale are also valid for international sales: it is agreed that any reference to trading terms (such as EXW, CIP, etc.) in the current text on the date of stipulation of the contract, is to be considered as a recall to the Incoterms of the International Chamber of Commerce.

art. 2 Modifications

The Seller reserves the right to make modifications to the Products, which he deems necessary and appropriate, without altering the essential features of the Products themselves.

art. 3 Orders and their modifications

3.1 Orders, contracts and delivery or supply requests and also modifications or additions to the same, must all be in writing.

3.2 The validity of any verbal agreements, including amendments and integrations to these purchase conditions, is subject to the mandatory written confirmation by Rubinetterie 3M s.r.l.

3.3 Written communications received via fax or via e-mail will also be considered as confirmation.

3.4 If the Seller gains knowledge of protests, seizures, foreclosures and detrimental acts in general concerning the Purchaser after the order has been confirmed, or it becomes common knowledge that the Purchaser has financial difficulties, at his own choice the Seller can suspend the contract and demand particular guarantees or terminate the contract via registered letter with acknowledgement of receipt, owing to non-fulfilment by the Purchaser, in compliance with art. 1456 of the Italian Civil Code.

art. 4 Prices

4.1 Where not specified, the sales price is that on the Seller's price list, excluding VAT, in force at the time of conclusion of the contract. Whenever the Purchaser decides not to receive the products on the date agreed for preparation and delivery or the preparation and effective delivery have not been possible for reasons independent to the will of the Seller, if not already envisioned in the order, the prices will be subject to variations of the Rubinetterie 3M S.r.l. price list. They will also be subject to changes in costs of the materials and labour supervening from the time of preparation of the products until they are picked-up by the customer or the delivery is accepted. Taxes, duties, expenses relative to the issue of bank drafts or any regularization of the contract are at the Purchaser's expense.

4.2 Unless otherwise agreed, prices are intended for Products packed according to the uses of the sector, in relation to the means of transport agreed, returns ex-works. It is agreed that any other cost or charge shall be at the Purchaser's expense.

art. 5 Conditions of payment

5.1 Payments must be made directly to Rubinetterie 3M Srl within the terms agreed, after which Rubinetterie 3M Srl will charge interest on arrears starting immediately from the day after the date that the debt expired, without any forewarning. This interest will be calculated with increasing in compliance with Legislative Decree n. 231/2002. At the discretion of Rubinetterie 3M Srl, the failure to respect the payment terms agreed can lead to the suspension of any supplies in progress, even if already agreed. No controversy authorises the Purchaser to suspend payments. The deliveries for amounts less than € 100.00 (one hundred/00) will be sent exclusively with cash on delivery. A unique cash order will be issued for invoices less than € 250.00, with shorter expiry than that in use.

5.2 Where the parties have agreed to deferred payment, unless otherwise specified, this must be paid by bank transfer, within 30 days from the date of the invoice. Payment is considered when the amount is available to the Seller in his bank account. Where it has been envisioned that payment must be accompanied by a bank guarantee, at least 30 days before the date of delivery, the Purchaser must make a first demand bank guarantee available, issued in compliance with the ICC Uniform Customs for Guarantees by a Primary Italian Bank and payable against a simple declaration of the Seller that he has not received payment within the terms agreed.

5.3 If the parties have agreed on payment in advance, without further indications, it will be assumed that such advance payment refers to the full price. Unless otherwise agreed, the advance payment must be paid into the Seller's account at least 30 days before the agreed delivery date.

5.4 Where the parties have agreed on payment via documentary credit, unless otherwise agreed, the Purchaser must make sure that irrevocable documentary credit, issued in compliance with ICC Uniform Customs and Practices for Documentary Credits, is communicated to the Seller at least 30 days before the agreed delivery date. Unless otherwise agreed, the documentary credit must be confirmed by an Italian Bank acceptable to the Seller and must be payable on demand.

5.5 Where the parties have agreed payment against documents, unless otherwise agreed, payment will be Documents against Payment.

5.6 Unless otherwise agreed, any expenses or bank commissions due with respect to the payment will be under the Purchaser's responsibility.

art. 6 Terms of delivery

6.1 Whenever the Seller envisions that he cannot deliver the Products on the day agreed, the Purchaser shall be immediately informed of any delays in writing, also via e-mail, where possible indicating the envisioned delivery date. It is agreed that where a delay attributable to the Seller lasts more than 9 weeks, the Purchaser can terminate the contract relative to the Products subject of the delayed delivery with forewarning of 10 days, of which the Seller must be informed in writing.

6.2 Any delays due to Acts of God (as defined in art.10) or acts or omissions by the Purchaser (e.g. no communication of indications necessary to supply the products) are not considered attributable to the Seller.

6.3 In the event of delayed delivery attributable to the Seller, the Purchaser can request, after placing the Seller in default, compensation for the effective damage he demonstrates, within the maximum limit of 5% of the price of the Products delivered late.

6.4 Except in the case of fraud or gross negligence by the Seller, the payment of the amounts indicated in art. 6.3 excludes any further compensation for damage due to no or delayed delivery of the products.

art. 7 Returns and shipment - claims

7.1 Unless otherwise agreed, the supply of the goods will be Ex Works and also when it is agreed that the Seller will organise shipment, in whole or in part.

7.2 Returned goods are not accepted if not returned ex-works c/o our warehouse and only after previous authorisation from Rubinetterie 3M Srl. The products must be perfectly contained inside their packaging and protected in boxes. Rubinetterie 3M Srl is not liable for damage to goods during transport via carrier to our warehouse owing to inadequate packaging. The returned material received will undergo thorough quality control and, if it should result faulty and the fault is attributable to Rubinetterie 3M Srl, it will be replaced. No compensation will be due for material received incomplete or not duly packaged and the expenses sustained for the checks performed will be charged. In this case, the material with faults not attributable to Rubinetterie 3M Srl remains at the customer's disposal in our warehouse for a maximum of 30 days, after which it will be automatically eliminated in the foundry without further warning. Rubinetterie 3M Srl is not liable for any faults deriving from tampering with the products and for damage resulting from the assembly of faulty material.

7.3 Any complaints relative to the state of packaging, quantity, number or exterior features of the Products (apparent defects), must be communicated to the Seller by registered letter with acknowledgement of receipt within 7 days from the date the defect is discovered. Failure to make such notification means the Purchaser will forfeit the right to claim for the above defects. Whenever the claim is not communicated within the previously mentioned term, the products delivered are considered conform with those ordered by the Customer.

7.4 It is agreed that any complaints or controversies do not give the Purchaser the right to suspend or delay payments of the Products, subject of the controversy, as well as payment of any other supplies.

art. 8 Warranty for defects

8.1 Rubinetteria 3M S.r.l. commits to solving any defect, lack of quality or non-conformity of the products, which can be attributed to the same, as long as notice is given immediately in compliance with art. 7.3.

The Seller will decide whether to repair or replace the Products shown to be faulty. The Products repaired or replaced under warranty will be subject to the same warranty for a period of 6 months, starting from the date of repair or replacement.

8.1.2 Rubinetteria 3M Srl guarantees all of its products from manufacturing defects as specified below:

- 1) 15 year warranty for casting or porosity defects.
- 2) 10 year warranty for defects on cartridges and screws (remember that the wear of these components is closely linked with the quality of the water).
- 3) 2 year warranty for non- chrome plated finishings.

In order to make use of the warranty, it is advised to keep the receipt or other fiscal document and attach it to the warranty coupon, as this proves the date of purchase. The warranty gives the right for free replacement of those parts which, for obvious manufacturing defaults, could determine incorrect operation of the product, always as long as this does not depend on carelessness, falls or blows, negligent use, incorrect maintenance, tampering, incorrect installation, interventions by unqualified staff or due to force majeure. Filters and softeners must be mounted upstream from the tap fittings. Failure to comply with these conditions causes the warranty to become immediately null and void. The warranty excludes any liability of the company for all consequences deriving from improper use, incorrect installation of our materials, incorrect maintenance or indifference to the product (see "recommendations for care of the product" below). Rubinetteria 3M Srl does not acknowledge any compensation for the replacement of faulty articles.

8.2 The Seller does not guarantee compliance of the Products to special specifications or technical features or their suitability for particular uses except to the extent that such features have been expressly agreed in the contract or documents recalled by the contract itself for that purpose.

8.3 Except in the case of fraud or gross negligence, in the event of defects, lack of quality or non-conformity of the products, the Seller is only obliged to repair or replace the faulty products. It is intended that the above-mentioned warranty (consisting in the obligation to repair or replace the Products) includes and replaces the warranties or responsibility envisioned by Law, and excludes any other responsibility of the Seller (whether contractual or non-contractual) however originating from Products supplied (e.g. compensation for damages, loss of earnings, recall campaigns, etc.).

art. 9 Retention of Title

It is agreed that the Products delivered remain the Seller's property until the afore-said have been paid for in full. The retention of title extends to the Products sold by the Purchaser to third parties and to the price of these sales, within the maximum limits envisioned by the Law in the Purchaser's country, which governs this clause.

art. 10 Force Majeure

10.1 Each party can suspend the execution of its contractual obligations when the same is made impossible or unreasonably hard due to unforeseeable events beyond his control such as: strikes, boycotts, lock-outs, fires, war (declared or not), civil war, riots and revolutions, requisitions, embargos, energy black-outs, delays in delivery of components or raw materials.

10.2 The party wishing to make use of this clause, must inform the other party immediately in writing of the occurrence and end of the circumstances of the Force Majeure.

10.3 Whenever the suspension due to Force Majeure lasts more than six weeks, both parties will have the right to terminate this contract, after forewarning of 10 days, to be communicated in writing to the counter-party.

art. 11 Jurisdiction

Any dispute deriving from this contract or connected to the same shall be of exclusive competence of the Court of Siena. Whenever the Purchaser resides in an Extra EU Country, all disputes arising from this contract or in relation to it, will be resolved definitively according to the Rules of arbitration of the Chamber of Commerce of Florence or by several arbitrators appointed in compliance with said rules.

art. 12 Various

Any ineffectiveness of a clause of these conditions or successive integrated agreements will not lead to the other conditions becoming null and void. The parties will make an agreement on a replacement clause, which reflects the economical intent as much as possible.

art. 13 Applicable Law

These purchase conditions are governed exclusively by the Law of the Italian Republic. The application of the Hague convention relative to uniform law regarding the international sale of goods, the United Nations convention regarding contracts for the international sale of goods or other conventions relative to the laws applicable to sales is excluded.

art. 14 Forming consent

The parties mutually acknowledge that each individual forecast of this contract has been widely discussed and approved specifically by the same, just as each individual point and article.

art. 15 Protection of Personal Data

The parties mutually acknowledge to fulfil all obligations deriving from the Law on the subject of the protection of personal data (Legislative Decree 196/03) and therefore RUBINETTERIE 3M S.r.l. on execution of this contract, can lawfully process any personal data of third parties supplied by the Purchaser.

The Purchaser will consider RUBINETTERIE 3M S.r.l. and its sub-contractors relieved from any type of damage, claim, charge or expense, which may derive from the same, directly or regarding third parties, as a consequence of Purchaser violations relative to the Law in question. The Seller will process the personal data using the measures of safety envisioned by the Technical Specifications contained in Attachment B of the Law (Legislative Decree 196/2003), limited to processing carried out within RUBINETTERIE 3M premises and provided that the minimum measures to be taken directly concern activities and instruments under exclusive control of RUBINETTERIE 3M S.r.l. Whenever processing is not carried out within RUBINETTERIE 3M S.r.l., the Seller will be responsible for adopting minimum safety measures for the activities carried out under its exclusive responsibility.

CARE OF THE PRODUCT

Constant care of your taps is recommended. This will help to keep them beautiful and perfectly efficient through time. It is recommended always to dry the taps using a soft cloth or chamois leather, which prevents the formation of lime scale deposits. A neutral liquid soap diluted in water must be used for cleaning. In no case use liquid soaps containing abrasive or acid based substances, abrasive sponges, pure vinegar, acetone, liquid bleach, ammonia, acids for domestic use, various disinfectants. The above-mentioned products must not even be used to clean the sanitary fittings in proximity of the taps installed. The deposits of lime scale and dirt in the aerator filters can be removed by disassembling the aerator and putting it into vinegar diluted in water for a few hours (maximum concentration 15% at 25°). Wash with soap and water and then rinse. **ATTENTION!** The use of products not recommended can irretrievably deteriorate the surface finish of the product. Rubinetteria 3M Srl is in no case liable.

SPARE PARTS

Always use Rubinetteria 3M original spare parts, which can be requested from our points of sale.

art. 4 Prix

4.1 Le prix de vente, lorsqu'il n'est pas spécifié, correspond au prix hors TVA figurant dans le listing du Vendeur en vigueur à la date de l'établissement du contrat. Si les produits ne sont pas reçus par l'Acheteur à la date prévue de mise au point ou de livraison, ou si la mise au point ou la livraison ne peuvent avoir lieu pour des raisons indépendantes de la volonté du Vendeur, les prix, si non déjà prévus dans la commande, seront soumis aux variations du listing de Rubinetterie 3M S.r.l. et, dans tous les cas, aux variations des coûts des matériaux et de la main-d'œuvre applicables à compter du moment de la préparation des produits jusqu'à leur retrait par le client ou à l'acceptation de la livraison. Les taxes, impôts et frais relatifs à l'exécution d'opérations bancaires ou à l'éventuelle régularisation du contrat sont à la charge de l'Acheteur.

4.2 Sauf accord contraire, les prix sont fournis pour les Produits emballés conformément aux usages du secteur et en fonction du moyen de transport utilisé, en sortie d'usine, restant entendu que tout autre frais ou charge sera à la charge de l'Acheteur.

art. 5 Conditions de paiement

5.1 Les paiements doivent être effectués directement à Rubinetterie 3M Srl, dans les délais accordés. Ces délais écoulés, Rubinetterie 3M Srl procèdera sans préavis à l'application des intérêts de retard à compter du jour suivant la date d'échéance du paiement. Ces intérêts seront calculés de façon croissante conformément au décret législatif n° 231/2002. A discrétion de Rubinetterie 3M Srl, le non-respect des délais de paiement établis pourra comporter la suspension des éventuelles livraisons en cours même si celles-ci ont déjà fait l'objet d'un accord. Les contestations, de tout type, n'autorisent pas l'Acheteur à suspendre les paiements. Les envois d'un montant inférieur à 100,00 € (cent/00) seront exclusivement effectués en contre-remboursement. Pour les factures inférieures à 250,00 €, il sera procédé au paiement par ordre d'encaissement avec une échéance plus courte que celle normalement appliquée.

5.2 Si les Parties ont négocié un paiement différé, celui devra, sauf accord contraire, être effectué par virement bancaire, dans un délai de 30 jours à compter de la date de la facture. Le paiement sera considéré effectué lorsque la somme sera effectivement disponible auprès de la banque du Vendeur. Lorsqu'il est prévu que le paiement soit accompagné d'une garantie bancaire, l'Acheteur devra fournir, au minimum 30 jours avant la date de livraison, une garantie bancaire à première demande, émise conformément aux Règles uniformes relatives aux garanties de la CCI par une des principales banques italiennes et payable sur simple déclaration du Vendeur affirmant la non-réception du paiement dans les délais fixés.

5.3 Si les parties ont négocié un paiement anticipé sans indications supplémentaires, il est présumé que le paiement anticipé concerne l'intégralité du montant du prix. Sauf accord contraire, le paiement anticipé devra être crédité sur le compte du Vendeur au moins 30 jours avant la date de livraison établie.

5.4 Si les Parties ont négocié un paiement par crédit documentaire, l'Acheteur devra, sauf accord contraire, s'assurer que le crédit documentaire irrévocable, émis conformément aux Règles et usages uniformes de la CCI relatifs aux crédits documentaires, soit notifié au Vendeur au moins 30 jours avant la date de livraison établie. Sauf accord contraire, le crédit documentaire devra être confirmé par une banque italienne acceptable par le Vendeur et devra être payable à vue.

5.5 Si les Parties ont convenu un paiement contre documents, le paiement sera effectué, sauf accord contraire, Documents contre Paiement.

5.6 Sauf accord contraire, les éventuels frais et commissions bancaires dus dans le cadre du paiement seront à la charge de l'Acheteur.

art. 6 Délais de livraison

6.1 Si le Vendeur prévoit de ne pas être en mesure de livrer les Produits à la date de livraison fixée, il devra en avvertir l'Acheteur dans les plus brefs délais par écrit, également par voie télématique, en indiquant si possible, la prochaine date de livraison prévue. Il reste entendu que si le retard imputable au Vendeur dépasse une période de 9 semaines, l'Acheteur pourra résilier le Contrat relatif aux Produits objet du retard de livraison sur préavis de 10 jours à notifier au Vendeur par écrit.

6.2 Le Vendeur ne saura être retenu responsable de l'éventuel retard dû à un cas de force majeure (comme défini dans l'article 10) ou à des actes ou omissions de l'Acheteur (par exemple, informations manquantes nécessaires à la livraison des produits).

6.3 En cas de retard de livraison imputable au Vendeur, l'Acheteur pourra demander, avec mise en demeure préalable du Vendeur, l'indemnisation du dommage effectif subi dans une limite maximum de 5% du prix des Produits livrés en retard.

6.4 Sauf cas de faute volontaire ou faute grave du Vendeur, le paiement des sommes indiquées à l'article 6.3 exclut toute indemnisation supplémentaire du dommage en cas de manque ou de retard de livraison des produits.

art. 7 Renvoi et expédition - réclamations

7.1 Sauf accord contraire, la fourniture de la marchandise est entendue en sortie d'usine, ce également lorsque l'expédition ou partie de celle-ci relève, sur accord entre les Parties, du Vendeur.

7.2 Aucun retour de marchandises ne sera accepté s'il n'est pas effectué directement à l'usine, à notre entrepôt, et uniquement sur autorisation préalable de Rubinetterie 3M Srl. Les produits doivent être parfaitement contenus dans leur emballage et protégés dans des boîtes. Rubinetterie 3M Srl ne répond pas de dommages sur la marchandise ayant eu lieu durant le transport par le transporteur vers notre entrepôt, en raison d'emballages inadéquats. Le matériel rendu et reçu sera soumis à un contrôle qualité attentif et, si le produit résulte d'un défaut avec défaut imputable à Rubinetterie 3M Srl, ce dernier sera remplacé. Concernant le matériel reçu incomplet, endommagé ou non correctement emballé, aucune indemnisation ne sera reconnue et les frais relatifs aux contrôles effectués seront facturés au client. Dans ce cas, le matériel présentant des défauts non imputables à Rubinetteries 3M Srl restera à disposition du client dans notre entrepôt pour une durée maximum de 30 jours. Ce délai écoulé, le matériel sera automatiquement éliminé en fonderie sans autre avis. Rubinetterie 3M Srl n'assume aucune responsabilité en cas de défauts générés par l'altération de ses produits, ni en cas de dommages provoqués par un montage de matériel défectueux.

7.3 Les éventuelles réclamations relatives à l'état de l'emballage, à la quantité, au nombre ou caractéristiques externes des Produits (vices apparents), devront être notifiées au Vendeur par lettre recommandée AR, sous peine d'expiration, dans un délai de sept jours à compter de la date de la découverte du défaut. Si la réclamation n'est pas effectuée dans les délais indiqués ci-dessus, les produits livrés seront considérés conformes à ceux commandés par le Client.

7.4 Il reste entendu que les éventuelles réclamations ou contestations ne donnent pas droit à l'Acheteur de suspendre ou de différer les paiements des Produits objet de la contestation, ni, encore moins, ceux relatifs à d'autres fournitures.

art. 8 Garantie pour vices

8.1 Rubinetteria 3M S.r.l. s'engage à remédier à tout vice, défaut de qualité ou défaut de conformité des Produits lui étant imputables, si ces derniers lui ont été communiqués rapidement conformément à l'article 7.3. Le Vendeur pourra choisir de réparer ou de remplacer les Produits résultant défectueux. Les Produits remplacés ou réparés sous garantie seront soumis à cette même garantie pendant une période de six mois à compter de la date de la réparation ou du remplacement.

8.1.2 Rubinetteria 3M Srl garantit tous ses produits contre les défauts de fabrication conformément à ce qui suit :

- 1) Garantie de 15 ans pour défauts de fusion ou de porosité.
- 2) Garantie de 10 ans pour défauts sur cartouches et grosses vis (il est rappelé que l'usure de ces composants dépend étroitement de la qualité de l'eau).
- 3) Garantie de 2 ans sur les différentes finitions du chromé.

Afin de pouvoir bénéficier de la garantie, il est recommandé de conserver le ticket de caisse ou tout autre document officiel prouvant la date d'achat et de le joindre au coupon de garantie. La garantie donne droit au remplacement gratuit des parties qui, en raison d'un défaut de fabrication évident, provoquent le fonctionnement irrégulier du produit, toujours dans la mesure où cela n'est pas dû à un manque de soin, chutes ou chocs, négligence d'usage, entretien erroné, altération, installation incorrecte, interventions de personnes non qualifiées ou cas de force majeure. Il est absolument nécessaire d'installer des filtres et adoucisseurs en amont de la robinetterie. Le non-respect de ces conditions impliquera l'annulation immédiate de la garantie. La garantie exclut notre responsabilité pour toute conséquence générée par un usage impropre, une installation incorrecte de nos équipements, un mauvais entretien ou un manque de soin apporté au produit (vois ci-dessous « conseils d'entretien du produit »).

Rubinetteria 3M Srl ne reconnaîtra aucune indemnisation en cas de remplacement d'articles défectueux.

8.2 Le Vendeur ne garantit pas la correspondance des Produits aux spécificités ou caractéristiques techniques particulières ni leur aptitude à des usages particuliers si ces caractéristiques n'ont pas été expressément convenues dans le contrat ou dans des documents spécialement rappelés dans ce but dans le Contrat.

8.3 Sauf cas de faute volontaire ou de faute grave, le Vendeur sera tenu, en cas de vices, défaut de qualité ou défaut de conformité des produits, à la seule réparation de ces derniers ou à la fourniture de Produits en remplacement de ceux défectueux. Il est entendu que la précédente garantie (consistant dans l'obligation de réparer ou de remplacer les produits) absorbe et remplace les garanties ou responsabilités prévues par la loi, et exclut tout autre responsabilité du Vendeur (contractuelles ou hors contrat) dans tous les cas, générée par les Produits fournis (ex : indemnisation du dommage, manque à gagner, campagnes de retrait, etc.).

art. 9 Réserve de propriété.

Il est convenu que les produits livrés restent la propriété du Vendeur jusqu'à leur paiement total. La réserve de propriété s'étend aux Produits vendus à des tiers par l'Acheteur au prix de vente appliqué à ces derniers, dans les limites maximum prévues par la loi du pays de l'Acheteur régissant la présente clause.

art. 10 Force majeure

10.1 Chaque partie pourra suspendre l'exécution de ses obligations contractuelles si ladite exécution est rendue impossible ou déraisonnablement onéreuse par un empêchement imprévisible indépendant de sa volonté à savoir, grève, boycottage, fermeture, incendie, guerre (déclarée ou non), guerre civile, soulèvements et révolutions, réquisitions, embargo, interruptions d'énergie, retard de livraison des composants ou matières premières.

10.2 La partie désireuse de faire valoir la présente clause devra communiquer immédiatement et par écrit à l'autre partie la présence ou la cessation de circonstances de force majeure.

10.3 Si la suspension due à un cas de force majeure devait durer plus de six semaines, les parties auront le droit de résilier le présent contrat, avec préavis de 10 jours, à fournir par écrit à la partie adverse.

art. 11 Tribunal compétent

Pour toute controverse dérivant du présent contrat ou en relation avec celui-ci, seul le tribunal de Sienne sera retenu compétent. Si l'Acheteur réside dans un Pays hors de l'Union européenne, toutes les controverses dérivant du présent contrat ou en relation avec celui-ci seront résolues par voie définitive conformément au Règlement d'arbitrage de la Chambre de Commerce de Florence ou par plusieurs arbitres nommés en conformité avec ce règlement.

art. 12 Divers

L'éventuelle inefficacité d'une clause des présentes conditions ou accords complémentaires successifs, ne comportera pas l'invalidité des autres conditions. Les parties fixeront une clause substitutive reflétant le plus possible l'intention économique.

art. 13 Lois applicables

Les présentes conditions de vente sont régies exclusivement par les lois de la République italienne. L'application de la convention de l'AIA relative au droit uniforme sur la vente internationale des marchandises ou l'application de la Convention des Nations Unies sur les contrats pour la vente internationale des marchandises ou d'autres conventions relatives à la loi applicable à la vente sont exclues.

art.14 Formation du consentement

Les parties attestent mutuellement que chaque provision du contrat a été amplement discutée par elles et spécifiquement approuvée, au même titre que chacun de ses points et articles.

art. 15 Protection des informations personnelles

Les parties acceptent mutuellement d'accomplir toutes les obligations imposées par la loi en matière de protection des informations personnelles (D.Lgs 196/03) impliquant donc que RUBINETTERIE 3M S.r.l. puisse, en exécution du présent Contrat, procéder légalement au traitement des éventuelles informations personnelles de tiers fournies par l'Acheteur à RUBINETTERIE 3M S.r.l.

L'Acheteur maintiendra RUBINETTERIE 3M S.r.l. et ses sous-fournisseurs indemnes face à tout type de dommage, prétention, charge ou dépense devant se présenter à elle, directement ou vis-à-vis de tierces parties, suite à des violations de l'Acheteur relatives à la loi en question. Le Vendeur procèdera au traitement des informations personnelles en adoptant les mesures de sécurité prévues par le Disciplinaire technique fourni en pièce jointe B de la loi (D.Lgs.196/2003), dans la limite du traitement effectué au sein de RUBINETTERIE 3M et pourvu que les mesures minimum à adopter concernent directement les activités et les instruments sous le contrôle exclusif de RUBINETTERIE 3M S.r.l.. Si les opérations de traitement ne se déroulent pas au sein même du siège de RUBINETTERIES 3M S.r.l, le Vendeur aura la responsabilité d'adopter les mesures minimum de sécurité pour les activités effectuées sous son contrôle exclusif.

ENTRETIEN DU PRODUIT

Il est recommandé d'entretenir constamment votre robinet. Cela contribuera à conserver son bel aspect et sa parfaite efficacité dans le temps. Il est recommandé de toujours essuyer les robinets avec un tissu doux ou une peau de chamois afin d'éviter la formation de dépôts de calcaire. Pour le nettoyage, utiliser un savon liquide neutre dilué dans l'eau. N'utiliser en aucun cas des détergents liquides contenant des substances abrasives ou à base acide, éponges abrasives, vinaigre pur, acétone, eau de Javel, ammoniac, acides pour usage domestique, désinfectants variés. Les produits mentionnés précédemment ne doivent pas non plus être utilisés pour le nettoyage des sanitaires accueillant les robinets. Les dépôts de calcaire et la saleté dans les filtres des aérateurs peuvent être éliminés en démontant l'aérateur et en l'immergeant pendant quelques heures dans du vinaigre dilué dans l'eau (concentration maximum 15% à 25°). Laver avec de l'eau et du savon et rincer. **ATTENTION!** L'utilisation de produits non recommandés peut détériorer irrémédiablement la couche de finition superficielle du produit. Il est toujours recommandé d'utiliser des pièces de rechange Rubinetteries 3M originales, disponibles sur demande dans tous nos points vente.

Um die Garantie zu nutzen, wird empfohlen, den Kassenzettel oder einen anderen Kaufbeleg mit dem Kaufdatum aufzubewahren und dem Garantieschein beizufügen.

Die Garantie berechtigt zum Austausch der Teile, die wegen offensichtlicher Fabrikationsfehler den schlechten Betrieb des Produkts verursachen, es sei denn, dass dies nicht auf Nachlässigkeit, Fall oder Stöße, fahrlässige Verwendung, falsche Wartung, Manipulation, nicht ordnungsgemäße Installation, Eingriffen nicht befähigter Personen oder höhere Gewalt beruht. Es ist unbedingt erforderlich, vor den Armaturen Filter und Wasserenthärter zu installieren. Die mangelnde Befolgung dieser Bedingungen bewirkt den unmittelbaren Verfall der Garantie selbst. Die Garantie schließt jegliche Haftung unsererseits für alle Folgen einer unsachgemäßen Verwendung, einer nicht ordnungsgemäßen Installation unserer Materialien, einer falschen Wartung oder Pflege des Produkts (siehe unter „Ratschläge für die Pflege des Produkts“) aus. Rubinetteria 3M Srl gewährt keine Entschädigung für den Austausch der mangelhaften Artikel.

8.2 Der Verkäufer garantiert nicht die Entsprechung der Produkte mit besonderen Anforderungen oder technischen Eigenschaften oder deren Tauglichkeit für besondere Einsätze, es sei denn in dem Ausmaß, in dem diese Eigenschaften ausdrücklich im Vertrag oder in Unterlagen, auf die im Vertrag selbst zu diesem Zweck verwiesen wird, vereinbart worden sind.

8.3 Vorbehaltlich des Vorsatzes oder schweren Verschuldens ist der Verkäufer im Fall von Mängeln, Qualitätsmängeln oder Abweichungsmängeln der Produkte ausschließlich zur Reparatur derselben oder der Ersatzlieferung für die mangelhaften Produkte gehalten. Es ist vereinbart, dass die besagte Garantie (die in der Pflicht zur Reparatur oder des Ersatzes der Produkte besteht) die gesetzlich vorgesehenen Garantien oder Haftungen einschließt und ersetzt und jegliche weitere auf die Produkte beruhende Haftung des Verkäufers (sowohl vertraglicher wie außervertraglicher Art) ausschließt (wie z. B. Schadensersatz, Gewinnausfall, Rückrufaktionen, usw.).

Art. 9 Eigentumsvorbehalt

Es wird vereinbart, dass die gelieferten Produkte bis zu vollständigen Bezahlung derselben Eigentum des Verkäufers bleiben. Der Eigentumsvorbehalt wird auf die vom Käufer an Dritte veräußerten Produkte und auf den Entgelt dieser Verkäufe ausgeweitet, innerhalb der Höchstgrenzen des Gesetzes des Lands des Käufers, das den verlängerten Eigentumsvorbehalt regelt.

Art. 10 Höhere Gewalt

10.1 Jede Partei kann die Erfüllung ihrer Vertragspflichten unterbrechen, wenn diese Erfüllung wegen einer unvorhergesehenen, von seinem Willen unabhängigen Verhinderung unmöglich oder unzumutbar wird, wie z.B. Streik, Boykott, Aussperrung, Brand, Krieg (erklärt oder nicht), Bürgerkrieg, Aufstände und Revolutionen, Beschlagnahmungen, Embargos, Energieunterbrechungen, Verspätung der Lieferung von Bauteilen und Rohstoffen.

10.2 Die Partei, die von der vorliegenden Klausel Gebrauch machen möchte, muss der anderen Partei unverzüglich schriftlich den Eintritt und die Beendigung der Umstände der höheren Gewalt mitteilen.

Für jegliche Streitigkeit aus dem vorliegenden Vertrag oder mit diesem verbunden ist der ausschließliche Gerichtsstand das Gericht von Siena. Art. 12 Verschiedenes

Die etwaige Unwirksamkeit einer Klausel der vorliegenden Bedingungen oder nachträglicher ergänzender Vereinbarungen bewirkt nicht die Ungültigkeit der anderen Bedingungen. Die Parteien werden eine Ersatzklausel vereinbaren, die den wirtschaftlichen Zweck so weit wie möglich widerspiegelt.

Art. 13 Anwendbares Recht

Die vorliegenden Verkaufsbedingungen werden ausschließlich durch die Gesetze der Italienischen Republik geregelt. Die Anwendung der Haager Konvention über das einheitliche Recht beim internationalen Verkauf von Waren, der Konvention der Vereinten Nationen über die Verträge für den internationalen Verkauf von Waren oder anderer Konventionen über das bei der Veräußerung anwendbare Recht ist ausgeschlossen.

Art. 14 Konsensbildung

Die Parteien bestätigen sich gegenseitig, dass jede einzelne Bestimmung des vorliegenden Vertrags von denselben ausgiebig bearten und besonders verabschiedet wurde, so wie jeder einzelne Punkt oder Artikel.

Art. 15 Schutz der personenbezogenen Daten

PFLEGE DES PRODUKTS. Es wird eine konstante Pflege Ihrer Armatur angeraten. Dies trägt dazu bei, ihr Aussehen zu bewahren und sie auf Dauer vollkommen funktionsfähig zu erhalten. Es wird empfohlen, die Armaturen mit einem weichen Tuch oder einem Damhirschleder zu trocknen, das die Bildung von Kalkablagerungen verhindert. Für die Reinigung ist eine in Wasser gelöste neutrale Flüssigseife zu verwenden. Auf keinen Fall dürfen flüssige Reinigungsmittel, die Scheuerstoffe oder Stoffe auf Säurebasis enthalten, Scheuerschwämme, reiner Essig, Aceton, Bleiche, Ammoniak, Haushaltssäuren, verschiedene Desinfektionsmittel verwendet werden. Die aufgeführten Erzeugnisse dürfen nicht einmal für die Reinigung der Becken in Nähe der eingebauten Armaturen verwendet werden. Die Kalkablagerungen und der Schmutz in den Filtern der Perlatoren können entfernt werden, indem der Perlator abgeschraubt und einige Stunden in mit Wasser verdünntem Essig gelegt werden (Höchstkonzentration 15% - 25%).
